Letters to Seniors from the Central Office

Dr. Anthony Azar, Superintendent

Dear Class of 2020:

I would like to take this opportunity to congratulate each of you upon your graduation. When you think back to your experience at Dighton-Rehoboth Regional High School, my hope is that we have prepared you well for your future endeavors. Please know, even though you have graduated, you will always be part of the D-R Difference Family. Finally, I would be remiss if I didn't mention how proud I am to have been your Superintendent as you go forward and begin a new chapter in your life. Once again, congratulations!!!

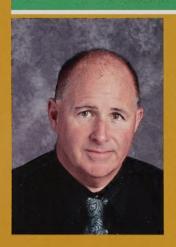

Dr. Kerri Anne Quinlan-Zhou, Assistant Superintendent

Dighton-Rehoboth Graduates,

It has been a pleasure to witness your individual and collective accomplishments as DR Falcons. Congratulations!. Although graduation feels like a time of closure, it is also a time of new beginnings as you launch into the next chapter of your life. You have learned so much on your journey through elementary, middle and high school, yet, it seems that there is still so much more to learn. As you move forward on your chosen paths, go confidently knowing that the lessons that you learned here will serve you well in life, career, and higher education. And, remember in the words of Eleanor Roosevelt, "The future belongs to those who believe in the beauty of their dreams." Best wishes on your Graduation and continued success

Mr. Douglas Kelley, Dean of Student Activities & Athletics

I am so proud of this class! As I have mentioned to many of you, your senior year comes up on you very fast; and here you are ready to take the next step into college, military, or the workforce.. As the Dean of Athletics and Student Activities, it has been such a pleasure watching you grow up right in front of my eyes. It seems like just yesterday you walked into Dighton Rehoboth High School for the first time. You have endured in a strong academic offering, wonderful sports programs, as well as an arts program second to none. Each day I would make sure I greeted you with a smile, a good morning, or a good afternoon. Always remember our core values- Respect, Responsibility, Independence, Integrity, and Excellence. I challenge you to find your groove in life and achieve total happiness. These are the tools for life. Strive to be the best you can be. Remember the football games, the great DR Spirit Day, concerts, plays, the NHS induction night, your prom, and so many other offerings, that you were part of. You are an intelligent and respectful class. You are prepared to move on now. It has been an honor and a privilege to be your Dean of Athletics and Student Activities.

Congratulations Graduates of 2020!

Dr. JOHN GOULD III, PRINCIPAL

Congratulations on graduating! Over the course of four years, you have overcome adversity and hardship. Despite challenges, such as fiscal turmoil, schedule changes, roof replacement, and even the loss of friends, you have truly displayed perseverance and poise.. During your four years, you have represented D-R in the best way possible through activities, competitive play, and academics. As you continue your life's journey, I encourage you to exemplify our core values: Independence, Integrity, Excellence, Respect, and Responsibility. I am proud of each of you. I wish you the best in your future and I am confident that you will be successful in whatever you choose to do. Well Done!

Ars. Katelyn E. Lima, Assistant Principal

Congratulations to the class of 2020! Each of you will be receiving your diploma from Dighton Rehoboth Regional High School but your paths will now diverge. Some of you will be attending college, some will be joining the workforce, while others will be joining the Armed Forces, but this is your journey now. I want to wish each of you the best of luck on your future endeavors and remember, "Be the change you wish to see in the world". (Gandhi)

Ars. Gail DeCecco, Assistant Principal

You are, at long last, a graduate! Now that your day has arrived, you may be wondering where the last four years have gone, and more important, what the next four years will hold. Whatever opportunity you pursue next, you are going into the unknown. This is a good time to reflect on how you felt when you entered the halls of Dighton-Rehoboth Regional High School, Surely, you felt some of the same uncertainty then that awaits you now. What is important to remember is that you faced the fears, the challenges, and you found your way then and you will do it again and again throughout your life. You have what it takes to be successful. What is also true is that you had people to help, guide, and support you at DRRHS. This is the key. Whatever you choose to do next, you must consciously choose to surround yourself with people who truly want the best for you. You will recognize them because they will be the people who push you to excel, admire you for doing the right thing, and support you through the rough times until you celebrate your next accomplishment, milestone, or met goal. Congratulations on this first of many achievements.

Overall the team finished the season with 11 wins and 10 Losses, qualifying for the MIAA State Tournament. The Falcons had an 8-5 League record, finishing in 2nd place. Success on the court this season was a result of the Falcons defensive intensity and the team's ability to fastbreak the ball down the court. The team looks to continue to build on its success next season.

How COVID-19 changed our lives

Nov. 2019

A novel coronavirus was first identified in China's Hubei province. The disease it causes attacks the lungs and causes rapid onset of pneumonia in already immunocompromised patients.

The first American case was diagnosed in Washington state. The illness rapidly spread across the globe, endangering mostly older adults and those with underlying and chronic health conditions, including lung disease, heart disease and diabetes.

The World Health Organization (WHO) names the virus SARS-CoV-2 (Severe Acute Respiratory Syndrome Coronavirus 2) and the disease it causes COVID-19 (Coronavirus Disease 2019). Worldwide death toll is 1,107.

2/11

First US COVID-19 death

1 new case in Mexico

3 new cases in United States

5 new cases in Canada

Due to the COVID-19 Spring Sports will be included in a supplement that will print over the summer and given to students to insert into the book.

Canada had 118 cases.
United States had 1,267 cases.
Italy had more than 12,000
cases.

The WHO declared SARS-CoV-2 a pandemic, which meant the 118,000 cases and more than 4,000 deaths worldwide required more specific and targeted attention and resources.

To slow the virus's spread, the US suspended European travel for 30 days. Canadian Prime
Minister Justin
Trudeau and wife Sophie
Grégoire Trudeau
self-isolated after she
experienced symptoms.
He was cleared, but she
had the virus.

The US reported 2,816 confirmed cases and 58 dealts.

Fitteen states activated National Guard troops to assist with virus related concerns, including regulating the flow of medical supplies, food and shelter.

Caratian provinces canceled schools as the numbers of infected rese.

16 US states closed schools to reduce community spread of the virus.

Alabama West Virginia New Mexico
Wisconsin illinois Oregon
Maryland Pennsylvania Virginia

Maryland Pennsylvania Ohio Louisiana Kentucky Rhode Island Washington Michigan

US declared a national state of emergency.

- Canada reported 341 cases.
- More cases were reported outside mainland China than inside it for the first time in the history of the disease
- The targest school district in the US NYC Public Schools, closed.
- The CDC suggested a community ban on all gatherings of more than 50 people for at least eight weeks.

the ides (15)

Provinces, states and cities continued to implement strict measures to slow the spread of the virus. The movement, called "flatten the curve" prompted entertainment, bar and restaurant closures across the US and Canada.

By Monday, all NBA, PGA, MLB, MLS, NASCAR, NHL, and NCAA sporting events were either canceled or put on hold for two or more weeks. Some especially hard hit areas, including seven counties in California, put a three-week-long "Shelter in Place" home restriction on citizens, requiring they leave their homes only for essential needs. Workers in essential services (emergency and medical, banks, grocery, pharmacy and food service) were exempted from the restriction, so they could work.

17 St. Patrick's Day Celebrations were canceled (even in Ireland). Nonessential services (salons, movie theaters, shopping malls, etc.) were a losed for 30+ days in many states. The Canadian-US border was closed to travel (but not trade) in a mutual agreement.

A Word From Ben Cabral, Student Body President

"Words cannot describe the unity, spirit, and persistence of this class of 2020 has represented. No matter how many adversities were thrown at us - schedule change, new administrations, budget cuts, Triple-E (football games rescheduled to daylight), and COVID-19, our class consistently stuck together and persevered. We brought a whole new wave of spirit to the Falcons Nest, creating DR's first tailgate, and packing the stands at games home or away. We single-handedly broke the school record for canned goods during the can drive, and we led our following classes through the struggles of a new schedule. Whether it was spirit week rallies, Friday night lights, basketball games, or simply during school, we have consistently supported each other, creating a bond like no other. To many, this may just be another class, but to us, we are a family.

Nothing but love and happy wishes for everyone in their paths toward success in this world

-Ben Cabral, Student Body President 2020"

Thank you Mrs. Hull for your many years of service to our school community. You have touched so many lives.

SENIOR SADNESS

As a senior, it has taken many of the activities I have been looking forward to since freshmen year. I may not go to Prom, or Grad night, or even walk at my graduation, let alone spend the last 3 months at school with my best friends.

-Teagan Toysrud / Madera, CA

WHAT EVENTS ARE YOU CONCERNED ABOUT MISSING DUE TO COVID-19?

Definitely graduation, I want to walk and I want to have people there to support me and see what I've achieved. If we don't have our families there, it just won't be the same.

-Emerald Ramos / Pueblo, CO

-Gillian Telfer / Elk River, MN

My senior prom could possibly be canceled. I already purchased my dress and I have been looking forward to it for months.

-Whitney Weyforth / Martinsburg, WV

Graduation and Prom mean a lot to me because I didn't work this hard for 4 years to get nothing out of it. Just walking across a stage and hearing the principal say your name is a big accomplishment for a lot of graduating seniors.

HOW DO YOU FEEL ABOUT **MOVING TO ONLINE LEARNING?**

> Lunderstand that virtual learning is necessary, but it makes learning a lot less fun. Interacting with teachers and friends teach you more valuable lessons than you can learn virtually.

-Jacob Engle / Colorado Springs, CO
